Dear MNLA Members,

It is that time of year when many of us are designing and installing landscapes. There are many reasons to take photos of your finished projects: They are great for print and online marketing; They help you to communicate to potential clients the type of work you are capable of doing; They are a great training tool for employees; They provide an excellent way to show the usage of various plant materials in a landscape, and; They provide a great way to record your accomplishments. There is also the upcoming **Montana Nursery & Landscape Association Best of Montana Landscape Competition!!** The success of this contest is dependent on having a sufficient quantity of quality contestants. We hope that you will consider being a contestant and helping us to make this an excellent and interesting program. A Call for Entries and an Entry Form are included in this mailing.

Contest Schedule

June - November	Call for entries
October 31	Registration—call or email MNLA to let us know that you plan to enter Nothing else is due until November 15 th .
November 15	Photos and Entry Submittal <u>deadline</u>
January 4	Announcement of winners

Four good reasons why you should enter:

1. To promote professionalism of the Montana nursery & landscape industry
2. To create a sense of pride within your company
3. To educate the public, students and members about current industry trends
4. To gain an advertising/marketing opportunity for you or your company

Prizes for first, second, and third place will be presented during MNLA's Annual Banquet on Wednesday, January 9th at the Montana Green Expo in Billings, Montana. You will be able to register for the banquet on the Montana Green Expo registration form in the Expo brochure which will in September be mailed to all members and available soon on MNLA's website: www.plantingmontana.com.
