

## Maintenance Division Manager

Montana Gardens, Inc. is a full service landscape company in Whitefish, MT. Located at the base of Whitefish Mountain Ski Resort, and with views into Glacier National Park, it's a great place to live and work.

We are seeking a full-time landscape maintenance professional with at least 2 years' experience in maintenance of residential and commercial landscapes. Sales/crew leader experience is a plus, but training is available.

The job description includes meeting with potential customers, bidding new accounts, managing the maintenance crew(s), providing all paperwork necessary for billing, maintaining trucks and equipment, servicing snow management accounts in the winter.

Attributes that we're looking for:

Attention to detail and quality

Strong communication skills with owner, crew, and customers

Strong time management and organizational skills

The ability to prioritize and multi-task

Self-motivated, with a strong work ethic

Honest, trustworthy, and reliable

Must have valid driver's license, reliable transportation, and must be insurable

Pay is commensurate with experience and with the quality of your work.
